Dear Parents,

I hope you will enjoy looking at what we have planned for the Milton Abbey School Parents' Association (MASPA) for Lent Term 2019. We have tried to balance opportunities for new and existing parents to meet each other, as usual splitting our events between London and Dorset

We aim to keep our events as varied and entertaining as possible and would welcome any suggestions you may have for future visits and activities. If you have links or contacts with places or events of interest and would be able to help us organise future visits, please do get in touch via maspa@miltonabbey.co.uk

Additionally, if you would like to join a small group of parents who kindly help plan events please do get in touch and we will send you details of our planning meetings, which are usually once or twice a year either at Milton Abbey or London.

Best wishes,

Claire Low | Head of Admissions

A note on Term Diaries: The printed 'Term Diary' that parents used to receive has been replaced with an interactive online calendar. This has many benefits, including the ability to filter the events you are interested in and then sync them to any Calendar app you use on your computer or smartphone. We can also keep the calendar fully up-to-date, avoiding problems when an event changes or if something new is added during the term. We will still be publishing this booklet each term to highlight the main events you may wish to attend. For more information about how to access and use the new calendar, visit our website at www.miltonabbey.co.uk/calendar.

LOCAL AND WILD – FOOD AND WINE EXPERIENCE AT NUTBOURNE RESTAURANT IN LONDON

Gladwin Brothers was hatched in the summer of 2012 by three brothers: Richard, Milton Abbey Old Boy Oliver and Gregory. Using their three unique skills; one being a farmer, the other a chef and the third a restaurateur, they all wish to share with you their love for great food, foraging, farming and the ability to bring a slice of the countryside into the city. Join them in one of their three restaurants, Nutbourne in London, where we will be served some of the most exciting seasonal British produce harvested from their own farm and vineyard. Start with a tasting and tuition of three of their wines produced by the family vineyard in Sussex, followed by butchery class and a delicious sharing menu lunch and coffee. £65 per person. Meet at 12 noon at Nutbourne Restaurant, Ransomes Dock Business Centre, Parkgate Rd, London, SW11 4NP.

THURSDAY 28 MARCH

MATTHEW DAY JACKSON AT HAUSER & WIRTH, SOMERSET

Join us for a curated tour followed by lunch. Jackson's artwork explores the relationship of the past to the present and the narrative of his identity within history. These investigations critique hegemonic power and its abuses through the use of disparate materials and methods of production. His work particularly addresses the myth of the American Dream, exploring the forces of creation, growth, transcendence and death through visions of its failed utopia. Jackson's multifaceted practice encompasses sculpture, painting, collage, photography, drawing, video, performance and installation. Meet at Ilam for the exhibition followed by a tour of their beautiful garden and a light lunch at Roth Bar & Grill, located in the grounds. £45 per person. Meet at Hauser & Wirth, Durslade Farm, Dropping Lane, Bruton, Somerset, BA10 0NL.
